Declarant further reserves the right to construct additional structures or improvements on the General or Limited Common Elements for the use of the Owners or an Owner. If the Owners of such Condominium Unit do not agree as to the manner in which their vote should be cast when called upon to vote, then they shall be treated as having abstained. Fractional votes shall not be cast.

5.3 Reservation. Notwithstanding any provision to the contrary contained in this Declaration, the Articles of Incorporation, Bylaws or Rules and Regulations of the Association, Declarant hereby reserves unto itself the right to appoint the Board of Directors of the Association until sixty (60) days following the date upon which Declarant has conveyed seventy-five percent (75%) of the Condominium Units to other Owners or ten (10) years from the date this Declaration is recorded in the office of the Clerk and Recorder of the County of Weld, Colorado, whichever first occurs. or other imposed requirement of any governmental body having jurisdiction over the same. No damage to, or waste of, the Common Elements, or any part thereof, shall be committed by any Owner, or by any tenant, employee, guest, invitee or licensee of any Owner. The Association, or in a proper case, an aggrieved Owner, shall have the power to enforce the provisions of this Declaration and the Articles, Bylaws, Rules and Regulations, and the decisions and resolutions of the Association pursuant thereto. The Association shall take such action as the Board deems necessary or desirable to cause such compliance by each Owner and his tenants, employees, guests, invitees and licensees. Without limiting the generality of the foregoing, the Association shall have the power to enforce the provisions of this Declaration and the Articles, Bylaws, Rules and Regulations, and the decisions and resolutions of the Association pursuant thereto, by any one or more of the following means:

- (iv) by levying and collecting from any Owner or its tenants, employees, guests, invitees or licensees after Notice and Hearing as provided in the Bylaws, reasonable and uniformly applied nondiscriminatory fines and penalties established in advance in the Bylaws and in the Rules and Regulations of the Association for breach of this Declaration, the Articles, Bylaws, Rules and Regulations, or decisions and resolutions of the Association and its Board by such Owner or his guest. Owners shall have the power to enforce the provisions of this Declaration, the Articles, Bylaws, and Rules and Regulations against the Association.

(b) Each Owner shall indemnify and hold the Association and the other Owners harmless from and against all loss and damage resulting from any action or activity committed by it, its tenants, employees, guests, invitees or licensees, which is in violation of this Section.

(c) All attorneys' fees and other costs of enforcing this Declaration, the Articles, Bylaws, Rules and Regulations, decisions and resolutions of the Association, and the foregoing indemnification incurred by the Association, or in a proper case by an aggrieved Owner, shall be

assessed against the Owner found to be in violation and such assessment shall become a lien against such Owner's Condominium Unit and shall be enforced and collected in the same manner as all other assessments as provided herein.

(d) The conveyance or encumbrance of a Condominium Unit shall be deemed to be made subject to all of the provisions of this Declaration, the Articles, Bylaws, and Rules and Regulations, and shall be binding upon each grantee or mortgagee without the necessity or inclusion of such express provision in the instrument of conveyance or encumbrance.

(e) A Condominium Unit may not be conveyed pursuant to a time-sharing arrangement described in Sections 38-33-110 to 113, Colorado Revised Statutes.

(f) All leases and rental agreements shall be subject to the reasonable requirements of the Association.

(g) The Association may rent to, lease to or authorize use by one or more Unit Owners, as it deems appropriate, part or all of any parking area which has not been conveyed to an Owner, as identified on the Condominium Map as General Common Elements.

6.3 Management Agreements and Other Contracts.

(a) Any agreement for professional management of the Association's business or any contract providing for the services of the Declarant shall have a maximum term of three (3) years and any such agreement shall provide for termination by either party thereto, with or without cause and without payment of a termination fee, upon sixty (60) days prior written notice.

(b) Any contracts or leases entered into by the Association (except contracts or agreements governed by Sub-section (a) of this Section 6.3 and any other contracts, licenses and agreements governed by Section 6.7 hereof) shall provide for termination by either party thereto, with or without cause and without payment of a termination fee, upon thirty (30) days prior written notice.

6.4 Acquiring and Disposing of Personal Property. The Association may acquire, own and hold for the use and benefit of all Owners, tangible and intangible personal property and may dispose of the same by sale or otherwise. The beneficial interest in any such property shall be deemed to be owned by the Owners in the same undivided proportion as their respective undivided interests in the Common Elements. Such beneficial interest of an Owner shall not be transferable except with the transfer of that Owner's Condominium Unit. Transfer of a Condominium Unit, including transfer pursuant to foreclosure, shall transfer to the transferee ownership of the transferor's beneficial interest in such personal property without any reference thereto. Each Owner may use such personal property in accordance with the purposes for which it is intended, provided that such use shall not hinder or encroach upon the lawful rights of other Owners.

6.5 Promulgation of Rules and Regulations. The Board of Directors of the Association may promulgate and enforce reasonable rules and regulations governing the use of the Condominium Units and the Common Elements, including, without limitation, enforcement of the same by levying and collecting fines for the violation thereof, which rules and regulations

shall be consistent with the rights and duties established in this Declaration. A list of the initial rules and regulations governing use of the Condominium Units and the Common Elements shall be prepared by the Board of Directors of the Association and made available to each Owner. These Rules and Regulations may be revised from time to time by the Board of Directors and shall be effective upon mailing to all Unit Owners.

6.6 New Additions to Common Elements. Subject to the other provisions of this Declaration, the Association shall have the right to construct, purchase or otherwise acquire new property or improvements to the Property which will constitute new additions to the Common Elements. Ownership of, and the common expenses of any such additions to the Common Elements, shall be apportioned among all Condominium Units in proportion to the respective undivided interest in the Common Elements appurtenant thereto, as shown on Exhibit B attached hereto. The construction, purchase or other acquisition of new additions to the Common Elements shall not affect an Owner by way of modification of its voting power in the Association

6.7 Contracts, Licenses and Agreements. The Association, through its Board of Directors, shall have the right to enter into, make, perform or enforce contracts, leases, licenses, agreements, easements and/or rights-of-way, for the use by Owners, other persons, their employees, tenants, guests, licensees and invitees, of real property for pedestrian or vehicle access, ingress and egress to and from the Project, or any portion thereof, for vehicular parking, for on-site management or for other agreements for the provision of cable or satellite television service to the Property, or any portion thereof, so long as such contracts, licenses, or agreements do not exceed three (3) years in duration from the commencement of such satellite or cable television service. Any of such contracts, leases, licenses, agreements, rights-of-way or easements shall be upon such terms and conditions as agreed to by the Board of Directors of the Association, which may include provisions by which the Association covenants and agrees that it shall pay part or all of the costs and expenses of: maintaining such real property, and the improvements thereto and thereon, providing such cable or satellite television service, or other amounts which the Board determines are necessary to secure such contracts, licenses and agreements, and any such costs and expenses, licenses and agreements, and any such costs and expenses shall be treated by the Association as common expenses pursuant to Article VII hereof.

ARTICLE VII

ASSESSMENTS

7.1 Personal Obligation for Assessments. All Owners, including Declarant, and including any purchaser or its assigns covenant and agree and shall be personally obligated to pay to the Association:

- (a) annual common expense assessments imposed by the Association to meet the common expense and reserve requirements of the Association;
- (b) special assessments, pursuant to Section 7.6 of this Declaration; and
- (c) other charges, fees and assessments, including without limitation default assessments, as provided in this Declaration.

All assessments for each Condominium Unit shall be calculated by multiplying the total annual amount of the assessment due, pursuant to Section 7.2 and Section 7.6, as either is applicable, based upon the ratio of the assessment as set forth on Exhibit B attached hereto. The ratio is based on the square footage of each unit. All Owners of each Condominium Unit shall be jointly and severally liable to the Association for the payment of all assessments, fees and charges attributable to their Condominium Unit. The personal obligation for delinquent assessments shall not pass to an Owner's successors in title or interest unless expressly assumed by them. No Owner may waive or otherwise escape personal liability for the payment of the assessments, charges and fees provided for herein by non-use of the Common Elements or any facilities contained therein or by abandonment or leasing of its Condominium Unit. In addition to the foregoing assessments, charges and fees, each Owner shall have the obligation to pay real property ad valorem taxes and special assessments imposed by Colorado governmental subdivisions against its Condominium Unit, as well as all charges for separately metered utilities servicing its Condominium Unit. The charges for utilities which are not separately metered shall be included in the annual common expense assessments levied by the Association.

7.2 Amount of Common Expense Assessments.

(a) The annual common expense assessment for each Condominium Unit shall be determined by the Association, and shall be allocated among the Condominium Units based upon the percentages set forth on Exhibit B attached hereto. The amount of the monthly installment for each Unit shall be divided by the number of months in the first annual common expense assessment year.

(b) Commencing with the second assessment year and thereafter, the maximum annual common expense assessment shall be based upon the Association's advance budget of all cash requirements which may be required by the Association to provide for the Association's advance budget of all cash requirements which may be needed by the Association to provide for the payment of all estimated expenses related to or connected with the administration, maintenance, ownership, repair, operation, addition, alteration and improvement of the Property, the Common Elements, and personal property owned by the Association, except as otherwise provided in this Declaration. The maximum annual common expense assessment against each Condominium Unit shall be calculated by multiplying the total amount of the aforesaid Association budget times the undivided interest in the Common Elements appurtenant to such Condominium Unit. The amount of said advance budget may include, but shall not be limited to: expenses of management, premiums for insurance; maintenance and repair of the exterior of the Condominium Building; landscaping and care of common grounds; common lighting, heating and electrical; maintenance, repairs and renovations of Common Elements; trash collection; wages; common water and sewer charges; taxes; legal and accounting fees; management fees; costs, expenses and liabilities incurred by the Association's Board of Directors on behalf of the Owners under or by reason of this Declaration, the Articles of Incorporation or Bylaws of the Association; the creation of reasonable reserves, working capital and/or sinking funds; and any and all other costs and expenses relating to the Common Elements and/or the Project.

(c) The Association may at any time and from time to time, during any annual common expense assessment period, levy an actual common expense assessment in an amount less than the maximum for that assessment period; provided, however, that written notice of

the Budget and any change in the amount of the actual common expense assessment (whether to an amount less than or equal to the maximum) shall be sent to every Owner subject thereto at least thirty (30) days in advance of the effective date of such change. Such notice shall set a date and time for a meeting of the Owners not less than 14 days nor more than 60 days after mailing or delivery of the notice. Unless at such meeting a majority of the Unit Owners reject the Budget and the proposed assessment (whether or not a quorum is present at the meeting), the Budget and the assessments as proposed in the notice are ratified. In the event the proposed budget is rejected, the periodic budget last ratified by the Unit Owners must be continued until such time as the Unit Owners ratify a subsequent budget.

7.3 Reserves. The Association may establish a reserve fund for the maintenance, repair and replacement of those Common Elements that must be periodically maintained, repaired or replaced. Initially there shall be no such reserve fund established by the Declarant. Any future reserve fund may be funded through the monthly payments of the annual common expense assessments, by special assessment, or by any other method the Association may determine.

7.4 Date of Commencement of Annual Common Assessments. The initial annual common expense assessment shall commence on the date of conveyance by Declarant of the first Condominium Unit, and the second and each subsequent annual common expense assessment period shall correspond with the fiscal year of the Association. The annual common expense assessments shall be made due and payable in twelve (12) consecutive monthly installments per annum on such dates as determined by the Board, provided that the first annual common expense assessment shall be adjusted according to the number of months in the first annual common expense assessment year. Any Owner purchasing a Condominium Unit between installment due dates shall pay a pro rata share of the last installment due.

7.5 Rate of Assessment. Both annual common expense and special assessments shall be set against all Condominium Units sufficient to meet the Association's advance budget, in accordance with the principles set forth in Section 7.1 hereof.

7.6 Special Assessments. In addition to the assessments authorized above, the Association may, at any time and from time to time, determine, levy and assess in any assessment year, which determination, levy, and assessment may be made by the Board with the consent of two-thirds (2/3) of the votes of the Members of the Association who are voting in person or by proxy at a duly called meeting for that purpose, a special assessment applicable to that particular assessment year for the purpose of defraying, in whole or in part, payments for any deficit remaining from a previous period and the unbudgeted costs, fees and expenses of any construction, reconstruction, repair, demolition, replacement, or maintenance of the Common Elements, specifically including without limitation any fixtures and personal property relating thereto. The amounts determined, levied and assessed pursuant hereto shall be set against each Condominium Unit in accordance with the principles set forth in Section 7.1 hereof and shall be due and payable as determined by the Association's Board of Directors and as set forth in the Notice of Assessment promulgated by the Board. Until such time as Declarant relinquishes control, special assessments for capital improvements will also require the prior written consent of the Declarant and any Agencies which have insured or purchased a First Mortgage if such approval is requested by the Agencies. "Capital Improvements" as used in the preceding sentence shall mean the construction, erection or installation of substantial structure(s) or other substantial improvements on the Property, but shall not include the

construction, reconstruction, erection, installation, maintenance, repair or replacement of Common Elements presently located on the Property or which may hereafter be constructed, erected or installed on the Property by Declarant in its development of the Project. Notice in writing setting forth the amount of such special assessment per Condominium Unit and the due date for payment thereof shall be given to the Owners not less than thirty (30) days prior to such due date.

7.7 Notice of Quorum for Action Authorized Under Section 7.6. Written notice of any meeting called for the purpose of voting on a special assessment pursuant to Section 7.6 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of the membership votes shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

7.8 Lien for Assessments. The assessments, charges and fees, including without limitation, any default assessment, as well as any monthly or other installments thereof, provided for in this Declaration (together with any and all interest, costs, late charges, expenses and reasonable attorney's fees which may arise under the provisions of this Declaration), shall be burdens running with, and a perpetual lien in favor of the Association upon the specific Condominium Unit to which such assessments apply. To evidence such lien upon a Condominium Unit, the Association may prepare a written lien notice setting forth a description of the Condominium Unit, the amount of assessments thereon which are unpaid as of the date of such lien notice, the name of the Owner or Owners thereof and any and all other information that the Association may deem proper. The lien notice shall be signed by a member of the Board of Directors of the Association, an officer of the Association, or any agent authorized by the Board of Directors, and shall be recorded in the office of the Clerk and Recorder for the County of Weld, Colorado. The recording of any written lien notice shall not constitute a condition precedent nor delay the attachment of the lien, but such lien is a perpetual lien upon each Condominium Unit and attaches without notice at the beginning of the first day of any period for which any assessment is levied or assessed.

7.9 Effect of Non-Payment of Assessments. Any assessment, charge or fee provided for in this Declaration, or any monthly or other installment thereof, which is not fully paid within ten (10) days after the due date thereof shall bear interest at the rate of eighteen percent (18%) per annum from the due date, or at such lesser rate as may be set by the Board of Directors. The Board of Directors of the Association may assess a monthly late charge thereon. Further, the Association may bring an action at law or in equity, or both, against any Owner personally obligated to pay such overdue assessments, charges or fees, or monthly or other installments thereof, and may also proceed to foreclose its lien against such Owner's Unit. An action at law or in equity by the Association against an Owner to recover a money judgment for unpaid assessments, charges or fees, or monthly or other installments thereof, may be commenced and pursued by the Association without foreclosing, or in any way waiving, the Association's lien therefor. In the event that any such assessment, charge or fee, or monthly or other installment thereof, is not fully paid when due and the Association shall commence such an action (or shall counterclaim or crossclaim for such relief in any action) against any Owner personally obligated to pay the same, or shall proceed to foreclose its lien against the particular

Condominium Unit, then all unpaid assessments, charges and fees, and all unpaid monthly or other installments thereof, any and all late charges and accrued interest under this Section 7.9, the Association's costs, expenses and reasonable attorney fees incurred for any such action and/or foreclosure proceedings, shall be taxed by the court as a part of the costs of any such action or foreclosure proceeding and shall be recoverable by the Association from any Owner personally obligated to pay the same and from the proceeds of the foreclosure sale of such Owner's Condominium Unit. Foreclosure or attempted foreclosure by the Association of its lien shall not be deemed to estop or otherwise preclude the Association from thereafter again foreclosing or attempting to foreclose its lien for any subsequent assessments, charges or fees, or monthly or other installments thereof, which are not fully paid when due. The Association shall have the power and right to bid on or purchase any Condominium Unit at foreclosure or other legal sale, and to acquire and hold, lease, mortgage, vote the Association votes appurtenant to ownership thereof, convey or otherwise deal with the same.

7.10 Successor's Liability for Assessments. Notwithstanding any terms and provisions of this Declaration to the contrary, the sale or transfer of any Condominium Unit shall not affect a lien for assessments, charges or fees levied hereunder except that in the case of a sale or transfer of a Condominium Unit pursuant to foreclosure of a First Mortgage or any proceeding in lieu thereof, including deed in lieu of foreclosure, the priority of the lien of the Association for assessments over the lien of the First Mortgage shall be determined in accordance with the provisions of the Colorado Common Interest Ownership Act, as amended from time to time, including amendments enacted after the date hereof.

7.11 Subordination of Association's Lien for Assessments. The Association's perpetual lien on a Condominium Unit for assessments, charges and fees, provided for herein, shall be superior to any homestead exemption as is now or may hereafter be provided by state or federal law. The acceptance of a deed to a Condominium Unit subject to this Declaration shall constitute a waiver of the homestead exemption against all such assessments, charges or fees. Said assessment lien shall also be superior to all other liens and encumbrances except:

(a) real property ad valorem tax and special assessment liens duly imposed by a Colorado governmental subdivision; and

(b) the lien of any First Mortgage encumbering any Condominium Unit, and recorded in the records of the office of the Clerk and Recorder of the County of Weld, Colorado, prior to the date such assessment became due, including any and all advances made by a First Mortgagee and notwithstanding that any of such advances may have been made subsequent to the date of the attachment of the Association's lien. The Colorado Common Interest Ownership Act provides that the Association's lien of up to six month's of condominium assessments shall be superior to the lien of a First Mortgage.

7.12 Certificate of Status of Assessments. Upon receipt of a written request from an Owner, prospective purchaser, First Mortgagee, prospective First Mortgagee, junior mortgagee, or prospective junior mortgagee of the subject Condominium Unit, and upon payment of a reasonable fee, but in no event less than Twenty-five Dollars (\$25.00), the Association, through its Board of Directors or by its managing agent, shall issue a written statement setting forth the amount of any unpaid Association assessments, charges, fees, or portions thereof, if any, with respect to the subject Condominium Unit, the amount of the current monthly common expense assessment and the date that such assessment becomes due, the due date of any special

assessment then existing against the Condominium Unit, the amount of the current monthly expense assessment and the date that such assessment becomes due, the due date of any special assessment then existing against the Condominium Unit, the amount of any credit for any advance payments of assessments, for prepaid items (such as insurance premiums), and for funds remaining in the working capital fund to which the Owner would be entitled from its transferee upon the sale of the subject Condominium Unit, and any other information deemed appropriate by the Association. Said written statement shall be conclusive upon the Association in favor of all persons who rely thereon in good faith.

7.13 Contributions to the Working Capital. The Association or Declarant shall require the first and each subsequent Owner of each Condominium Unit to make at the closing thereof a non-refundable payment to capital in an amount equal to two (2) times the monthly installment of the maximum annual common expense assessment in effective at the time of conveyance of the Condominium Unit, which sum shall be held, without interest being paid to the Unit owners, by the Association in a segregated account for the use and benefit of the Association, including without limitation, to insure that the Association will have cash available to meet unforeseen expenditures, or to acquire additional equipment or services deemed necessary or desirable by the Association's Board of Directors. Such contribution to capital shall not relieve an Owner from making regular payments of assessments as the same become due. Upon the transfer of his Condominium Unit, an Owner shall be entitled to a credit from his transferee for the aforesaid payment to working capital, such credit to be in an amount equal to the product of the first private Owner's payment into the working capital fund multiplied by a fraction, the numerator of which is equal to the amount in the working capital fund as of the Association's last financial statement (or, if readily available, such amount as of a more current date) and the denominator of which is equal to the total amount which would have been in the working capital fund if there had been no expenditures as of such date. While Declarant is in control, Declarant shall not use any of the Working Funds to defray expenses, reserve contributions, or construction costs or to make up any budget deficits.

7.14 Mortgagees May Pay Assessments and Cure Defaults. In the event any assessment, or monthly or other installment thereof, on any Condominium Unit shall not be paid by the Owner thereof within thirty (30) days after the same is due, or if a default by any Owner of any provision of this Condominium Declaration, the Articles of Incorporation or Bylaws of the Association shall not be cured within thirty (30) days after written notice thereof is given to such Owner, then the Owner or holder of any mortgage or deed of trust encumbering such Condominium Unit may (but shall not be required to) pay such assessment or monthly or other installment thereof, together with any other amounts secured by the Association's lien created by this Article VII, and may (but shall not be required to) cure any such default.

7.15 Liens. In accordance with the requirements of the Colorado Common Interest Ownership Act, as amended, Declarant hereby states that it is possible that additional liens other than mechanic's liens, assessment liens or tax liens may be obtained against the Common Elements.

ARTICLE VIII

INSURANCE

8.1 Duty to Obtain and Maintain Insurance. The Association shall obtain and maintain at all times, to the extent that the Association determines that obtaining such coverage is prudent based on the relative cost and risk coverage provided by such insurance, the following types of insurance:

(a) A multi-peril policy with extended coverage and standard all-risk endorsements, including coverage for fire, vandalism and malicious mischief, as well as such other risks as shall customarily be covered with respect to condominium projects similar in construction, location and use, insuring the Project and all Common Elements, but excluding coverage on furniture, furnishings or other personal property supplied or installed by an Owner; said policy shall provide coverage in an amount equal to one hundred percent (100%) of full replacement cost without deduction for depreciation. All policies shall contain a standard noncontributory mortgagee clause in favor of each First Mortgagee of a Condominium Unit, which shall provide that any loss thereunder shall be payable to the Association for the use and benefit of First Mortgagees as their interests may appear.

(b) If the Project is located in an area identified by the Federal Emergency Management Agency as having special flood hazards, and flood insurance coverage has been made available under the National Flood Insurance Program (NFIP), a "master" or "blanket" policy of flood insurance on the Condominium Building and any other property covered by the required form of policy (herein "insurable property") in an amount deemed appropriate, but not less than the lesser of:

- (i) the maximum coverage available under the NFIP for the Condominium Building and other insurable property within any portion of the Project located within a designated flood hazard area; or
- (ii) one hundred percent (100%) of current "replacement cost" of the Condominium Building and other insurable property within any portion of the Project located within a designated flood hazard area.

Any policy of insurance carried by the Association pursuant to this Section 8.1(b) shall be in a form which meets the criteria set forth in the most current guidelines on the subject issued by the Federal Insurance Administrator.

(c) Public liability and property damage insurance providing coverage in an amount not less than Two Million Dollars (\$2,000,000.00) per occurrence, covering claims for bodily injury, personal injury and property damage. Coverage shall include, without limitation, liability for personal injuries, operation of automobiles on behalf of the Association, and activities in connection with the ownership, operation, maintenance and other use of the Project, as well as such other risks as shall customarily be covered with respect to condominium projects similar in construction, location and use.

(d) Workmen's Compensation, employer's liability insurance and all other similar insurance with respect to employees of the Association in the amounts and in the forms as may now or hereafter be required by law.

(e) A policy providing adequate fidelity coverage or fidelity bonds to protect against dishonest acts on the part of officers, directors, trustees and employees of the Association and all others who handle or are responsible for handling funds of the Association, which fidelity coverage or fidelity bonds shall be in such amounts as set forth in the Bylaws. Such fidelity coverage or bonds shall name the Association as an obligee and shall contain waivers of any defense based upon the exclusion of persons who serve without compensation from any definition of "employee" or similar expression.

(f) The Association may obtain insurance against such other risks of a similar or dissimilar nature as it shall deem appropriate with respect to the Project, to the extent that such coverage is reasonably available, including but not limited to personal liability insurance to protect directors and officers on behalf of the Association and, if appropriate, coverage for loss or damage resulting from air conditioning equipment accidents in an amount not less than One Hundred Thousand Dollars (\$100,000.00) per accident per location or such greater amount as may be deemed prudent by the Association based on the nature of the Property. All policies of insurance carried by the Association shall contain waivers of subrogation and waivers of any defense based on invalidity arising from any acts of a member of the Association, and shall provide that the policies may not be cancelled or substantially modified without at least thirty (30) days' prior written notice to the insured. Duplicate originals of all policies and renewals thereof, together with proof of payment of premiums, shall be delivered to any First Mortgagee of a Condominium Unit upon written request. The insurance shall be carried in blanket form naming the Association as the insured, as attorney-in-fact for all of the Owners, which policy or policies shall identify the interest of each Owner (by name and Condominium Unit number designation) and First Mortgagee. Further, the Association may require the insurance company or companies providing the insurance coverages described herein to provide each Owner and First Mortgagee with a Certificate of Insurance in regard to such Owner's Condominium Unit.

8.2 Insurance Obtained by Owners. Insurance coverage on windows, doors, exteriors, furnishings, including carpet, draperies, office equipment, office furniture, warehouse equipment and fixtures, and other items of personal property belonging to an Owner, and public liability coverage within each Condominium Unit, shall be the sole and direct responsibility of the Owner(s) thereof, and the Association, its Board of Directors; and/or the managing agent of the Association shall have no responsibility therefor. Owners may carry other insurance for their benefit and at their expense, provided that all such policies shall contain waivers of subrogation, and provided further that no liability of the carriers issuing insurance obtained by the Association shall be affected or diminished by reason of any such additional insurance carried by any Owner.

8.3 Annual Review of Insurance Policies. All insurance policies carried by the Association shall be reviewed at least annually by the Board of Directors of the Association to ascertain that the coverage provided by such policies adequately covers those risks insured by the Association.

8.4 Prohibition of Increase in Insurable Risks and Certain Activities. Nothing

shall be done or kept in any Condominium Unit or in or on the Common Elements, or any part thereof, which would result in the cancellation of any insurance on the Project, or any part thereof, or increase in the rate of any insurance on the Project, or any part thereof, over what the prior written approval of the Association, but for such activity, would pay, without the prior written approval of the Association. Each Owner shall indemnify and hold the Association and the other Owners harmless from and against all loss and damage resulting from any action or activity committed by it, its tenants, employees, guests, invitees or licensees, which is in violation of this Section 8.4. At its own initiative or upon the written request of any Owner (and, if the Association determines that further action by it is proper), then after notice and a hearing by the Association, it shall enforce the foregoing indemnity in the same manner as provided in Section 10.2 hereof with respect to an Owner's indemnity against mechanic's liens.

ARTICLE IX

CONVEYANCES AND TAXATION OF CONDOMINIUM UNITS

9.1 Contracts Entered Into Prior to Recording of Condominium Map and Declaration. A contract or other agreement for the sale of a Condominium Unit entered into prior to the filing for record of the Condominium Map and/or this Declaration in the office of the Clerk and Recorder of the County of Weld, Colorado, may legally describe such Condominium Unit in the manner set forth in Section 9.2 hereof and may indicate that the Condominium Map and/or this Declaration are to be recorded. Upon recordation of the Condominium Map and this Declaration in the County of Weld, Colorado, such description shall be conclusively presumed to describe the corresponding Condominium Unit shown on the Condominium Map and such Condominium Unit shall be subject in all respects to this Declaration.

9.2 Contracts Entered Into Subsequent to Recording of FIRST AMENDED Condominium Map and Declaration. Subsequent to the recording of the Condominium Map and this Declaration, every contract, deed, lease, mortgage, deed of trust, will and every other instrument affecting title to a Condominium Unit may legally describe that Condominium Unit as follows:

Condominium Unit _____, WEST 18TH BUSINESS CENTER CONDOMINIUMS, according to the First Amended Condominium Map, recorded on _____, 2018 in Book _____, Page _____, Reception No. _____ in the records of the office of the Clerk and Recorder of the County of Weld, Colorado, and as defined and described in the Amended and Restated Condominium Declarations for WEST 18TH BUSINESS CENTER CONDOMINIUMS, recorded on _____, 2018, in Book _____, at Page _____, Reception No. _____ in said records.

9.3 Legal Effect of Description. Every contract, deed, lease, mortgage, deed of trust, will and every other instrument affecting title to a Condominium Unit which legally describes said Condominium Unit in the manner set forth in Section 9.2 hereof shall be good and sufficient for all purposes to sell, convey, transfer, encumber or otherwise affect not only the

Condominium Unit, but also the undivided interest in the Common Elements appurtenant thereto and all other appurtenant properties and property rights, and incorporate all of the rights, limitations and burdens incident to ownership of a Condominium Unit as described in this Declaration and the Condominium Map. Each such description shall be construed to include a nonexclusive easement for ingress and egress to and from each Condominium Unit and the use of all the General Common Elements as well as all of the Limited Common Elements appurtenant to said Condominium Unit, all as more fully provided in this Declaration.

9.4 Taxation. Each Condominium Unit shall be assessed separately for all taxes, assessments and other charges of the State of Colorado, any political subdivision thereof, any special improvement district, and any other taxing or assessing authority, in accordance with the Common Interest Ownership Act of the State of Colorado, as amended. For the purpose of such assessments, the valuation of the Common Elements shall be apportioned among the Condominium Units in proportion to the undivided interest in Common Elements appurtenant thereto. The Association shall furnish to the Tax Assessor of the County of Weld, Colorado, and to all other appropriate persons and authorities, all necessary information with respect to such apportionment. No forfeiture or sale of any Condominium Unit for delinquent taxes, assessments or other governmental charges shall divest or in any way affect the title to any other Condominium Unit.

ARTICLE X

MECHANIC'S AND OTHER LIENS

10.1 Mechanic's and Other Liens. No labor performed or materials furnished for use and incorporated in any Condominium Unit with the consent or at the request of the Owner thereof, its agent, contractor or subcontractor, shall be the basis for the filing of a lien against a Condominium Unit of any other Owner not expressly consenting to or requesting the same, or against any interest in the Common Elements except as to the undivided interest therein appurtenant to the Individual Unit of the Owner for whom such labor shall have been performed or such materials furnished. Each Owner shall indemnify and hold harmless each of the other Owners and the Association from and against any liability or loss arising from the claim of any mechanic's lien against the Condominium Unit of any other Owner, the Common Elements, or any part thereof, for labor performed or for materials furnished in work on the first Owner's Condominium Unit. The Association shall also have a collection lien for any utility charges for utilities to any Condominium Unit which are not paid by the Owner of such Unit.

10.2 Enforcement by the Association. At its own initiative or upon the written request of any Owner, if the Association determines that further action by it is proper and the mechanic's lien(s) or other liens are not disputed claims with a reasonable basis for such dispute, the Association, after notice and hearing, shall enforce the indemnity provided for in Section 10.1 hereof by collecting from the Owner of the Condominium Unit on which the labor was performed or materials or utilities furnished, the amount necessary to discharge any such mechanic's lien or pay such utility charges, including all costs and reasonable attorneys' fees incidental thereto, and obtain a discharge of such lien. In the event that the Owner of the Condominium Unit on which the labor was performed or materials or utilities furnished refuses or fails to so indemnify within seven (7) days after the Association shall have given notice to such Owner of the total amount, or any portions thereof, from time to time, of the

amount to be indemnified, then the failure to so indemnify shall be a default by such Owner under the provisions of this Section 10.2 and such amount to be indemnified shall automatically become a lien against such Condominium Unit, and the Association shall proceed to foreclose such lien in accordance with the procedures set forth in Section 7.9 hereof.

10.3 Effect of Part Payment. In the event a lien attributable to labor performed and/or materials furnished on the Project, or any portion thereof, is effected against two or more Condominium Units, the Owner(s) of any of the affected Condominium Units may pay to the lienholder the amount of the lien attributable to such Owner's Condominium Unit and the lienholder shall release such Condominium Unit from the lien. The amount required to be paid by any such Owners in order to obtain release of their Condominium Unit from any such lien shall be equal to the amount of the lien attributable to such Unit(s), or if such amount cannot be determined, then such amount shall be the quotient of (i) the amount of the lien, divided by (ii) the total number of Condominium Units affected by the lien. Partial payment and release of any such lien with respect to any Condominium Unit(s) shall not prevent the lienholder from enforcing its rights against any Condominium Unit for which payment has not been received.

ARTICLE XI

RESTRICTIONS ON USE, ALIENATION AND OCCUPANCY

Subject to the Development Rights and Special Declarant Rights reserved by the Declarant, the following use restrictions apply to all Units and to the Common Elements:

11.1 Non-Residential Use. The Common Interest Community is hereby restricted to non-residential use and other permitted uses as allowed by the County of Weld, and such uses as are related to the convenience and enjoyment of such non-residential use. No structures of a temporary character, camper shells, inoperative motor vehicles, tent, shack, garage, barn, or other out building shall be used or permitted to be kept or stored on any portion of the Common Interest Community at any time either temporarily or permanently. Notwithstanding the foregoing, any managing agent hired by the Association to manage the Project may conduct such management activities from within a Condominium Unit. The Association and each Unit Owner are subject to all of the applicable terms, conditions, restrictions, requirements and notes on the Plat of Greenwood North Subdivision Filing No. 1, recorded December 26, 1980 under Reception No. 2031000.

11.2 Use of Common Elements. There shall be no obstruction of the Common Elements, nor shall anything be kept or stored on any part of the Common Elements without the prior written approval of the Association. Nothing shall be altered on, constructed in or removed from the Common Elements without the prior written approval of the Board of Directors of the Association.

11.3 Exterior Changes. Except for those improvements erected or installed by Declarant in its construction and completion of the Project, no exterior additions to, alterations or decoration of the Condominium Building, including but not limited to any structural alterations to any Condominium Unit or Common Element, nor any changes in fences, hedges, walls or other structures of any type, shall be commenced, erected, placed or maintained, without the prior written approval of the Board of Directors of the Association, and compliance with any requirements contained in the plat of Weld Airport Center Joint Venture.

11.4 Leases. The term "lease", as used herein, shall include any agreement for the leasing or rental of a Condominium Unit and shall specifically include, without limitation, a month-to-month rental. The Owner of a Condominium Unit shall have the right to lease its Condominium Unit under the following conditions:

(a) All leases shall be in writing;

(b) All leases shall provide that the terms of the lease and lessee's occupancy of the Condominium Common Interest Community shall be subject in all respects to the provisions of this Declaration and to the provisions of the Articles of Incorporation, Bylaws and Rules and Regulations. Any failure by the lessee to comply therewith shall be a default under the lease; and

(c) No lease shall be for a term of less than ninety days.

11.5 Restrictions on Alienation. A Unit may not be conveyed pursuant to a time-sharing arrangement described in Sections 38-33-110 to 113, Colorado Revised Statutes.

11.6 Nuisances. No nuisance shall be allowed on the Project, nor any use or practice which is the source of annoyance to residents or which interferes with the peaceful enjoyment or possession and proper use of the Project by its residents. As used herein, the term "nuisance" shall not include any activities of Declarant in regard to the development and construction of the Project. All parts of the Project shall be kept in a clean and sanitary condition, and no rubbish, refuse or garbage shall be allowed to accumulate, nor any fire hazard to exist. Further, no immoral, improper, offensive or unlawful use shall be permitted or made of the Project or any part thereof. All valid laws, ordinances and regulations of all governmental bodies having jurisdiction over the Project, or any portion thereof, shall be observed.

11.7 Premises Sign. The signs on the Property shall be maintained and replaced from time to time, as a common expense of all of the Units. Each Unit Owner shall have the right to the use of any such common sign, and the Association shall have the right of access to such sign. Any and all electricity, maintenance and/or replacement cost shall be a common expense of all Unit Owners. The Association shall make a reasonable determination of the monthly cost of electricity for the Premises sign, and this amount shall be a common expense of the Property. All signage shall conform to any applicable governmental statutes, ordinances and regulations.

11.8 Prohibited commercial activities. No Owner shall operate or permit the operation upon the Property of any enterprise carrying on any of the below-listed or similar businesses; nor permit the sale upon the Property of the below-listed products:

a. Any adult book or adult video store (i.e., a store which primarily sells books, magazines, videos or other materials or rents videos or other materials which cannot legally be sold or rented to persons under the age of 18);

b. Any use which emits an obvious odor, noise, or sound which can be heard or smelled outside any building in the Property; provided, however, that this provision shall not: (i) prohibit an internal paging system; (ii) prohibit a two-way

speaker system installed in a Drive Through Facility for the purpose of placing and receiving orders or otherwise conducting business transactions; and (iii) apply to properly maintained and serviced garbage receptacles.

c. Any mobile home park, trailer court, labor camp, junkyard, or stockyard (except that this provision shall not prohibit the temporary use of construction trailers during period of construction, reconstruction, or maintenance);

d. Any dumping, disposing, incineration, or reduction of garbage (exclusive of trash compactors, shredders, balers or receptacles located in or at the rear of any building and used only for the management of trash generated by the Occupant of such building);

e. Any fire sale, bankruptcy sale (unless pursuant to a court order), or auction house operation;

f. Any central laundry, dry cleaning plant, or laundromat facility that launders, dry cleans or presses clothing or linens for a retail service location other than the building in which such facility is located or for delivery to commercial customer locations;

g. Any living quarters, sleeping apartments, or lodging rooms; and

h. Any mortuary.

ARTICLE XII

EASEMENTS

12.1 Recorded Easements. In addition to all easements and rights-of-way of record at or before the recording of this Declaration, the Property and all portions thereof, shall be subject to the easements as shown on any recorded plat of the Property, or any portion thereof, and as shown on the recorded Condominium Map. The recording data for recorded easements and licenses appurtenant to or included in the common interest community or to which any portion of the common interest community is or may become subject to by virtue of a reservation in the declaration are listed on the attached Exhibit C.

12.2 Encroachments. In the event that any portion of the Common Elements encroaches upon any Individual Unit(s) or in the event that any portion of an Individual Unit encroaches upon any other Individual Unit(s) or upon any portion of the Common Elements, or in the event any encroachment shall occur in the future as a result of: (i) settling of the Condominium Building, or (ii) alteration or repair to the Common Elements, or (iii) repair or restoration of any Condominium Building and/or one or more Condominium Unit(s) after damage by fire or other casualty, or condemnation or eminent domain proceedings, then, in any of said events, a valid easement shall exist for the encroachment and for the maintenance of the same so long as the encroachment exists. In the event that any one or more of the Condominium Units, any Condominium Building or other improvements comprising part of the Common Elements, are partially or totally destroyed and are subsequently rebuilt or reconstructed in substantially the same location, and as a result of such rebuilding or

reconstruction, any portion thereof shall encroach as provided in the preceding sentence, a valid easement for such encroachment shall then exist. Such encroachments and easements shall not be considered or determined to be encumbrances either on the Common Elements or on the Condominium Units for purposes of marketability of title or other purposes. In interpreting any and all provisions of this Declaration, subsequent deeds, mortgages, deeds of trust or other security instruments relating to Condominium Units, the actual location of an Individual Unit shall be deemed conclusively to be the property intended to be conveyed, reserved or encumbered, notwithstanding any minor deviations, either horizontally, vertically or laterally, from the location of such Individual Unit as indicated on the Condominium Map.

12.3 Utility Easements. There is hereby created a general easement upon, across, over, in and under all of the Property for ingress, egress, installation, replacing, repairing and maintaining all utilities, including but not limited to water, sewer, gas, telephone, electrical and satellite or cable television. By virtue of this easement, it shall be expressly permissible and proper for the companies providing electrical, telephone and television services to erect and maintain the necessary poles and other necessary telephone and television wires, cables, circuits, conduits, equipment and apparatus on, above, across and under the roofs and exterior walls of the Condominium Building. Notwithstanding anything to the contrary contained in this Section 12.3, no water, sewer, gas, telephone, electrical, satellite television or cable television lines systems or facilities may be installed or relocated on the Property except as approved by the Association. Should any utility company furnishing a service covered by the general easement herein created request a specific easement by separate recordable document, Declarant shall have, and hereby reserves, the right and authority to grant such easement upon, across, over or under any part or all of the Property without conflicting with the terms hereof; provided, however, that such power shall cease upon conveyance of the last Condominium Unit by Declarant to the first Owner thereof (other than Declarant). The easement provided for in this Section 12.3 shall in no way affect, avoid, extinguish or modify any other recorded easement(s) on the Property. XCEL Energy (formerly Public Service Company) may retain two (2) keys to the Building for the purpose of entering in an emergency and for reading of meters and is granted an easement for these purposes.

12.4 Emergency Easement. A general easement is hereby granted to all police, sheriff, fire protection, ambulance and other similar emergency agencies or persons to enter upon the Common Elements in the proper performance of their duties.

12.5 Maintenance Easement. An easement is hereby granted to the Association, its officers, agents, employees and assigns upon, across, over, in and under the Common Elements and right to make such use of the Common Elements as may be necessary or appropriate to perform the duties and functions which it is obligated or permitted to perform pursuant to this Declaration, including the right to construct and maintain on the Common Elements maintenance and storage facilities for use by the Association.

12.6 Easements of Access for Repair, Maintenance and Emergencies. Some of the Common Elements are or may be located within Individual Units or may be conveniently accessible only through Individual Units. The Owners of other Individual Units shall have the irrevocable right, to be exercised by the Association as their agent, to have access to each Individual Unit and to all Common Elements from time to time during such reasonable hours as may be necessary for the maintenance, repair, removal or replacement of any of the Common Elements located therein or accessible therefrom, or for making emergency repairs therein,

necessary to prevent damage to the Common Elements or to any Individual Unit. The Association shall also have such right, independent of any agency relationship. Subject to the provisions of Section 6.2 hereof, damage to the interior of any part of an Individual Unit resulting from the maintenance, repair, emergency repair, removal or replacement of any of the Common Elements or as a result of emergency repairs within any Individual Unit at the instance of the Association or any Owner, shall be an expense of all the Owners. Non-emergency repairs shall be made only during regular business hours on business days after twenty-four (24) hours notice to the occupants of the Individual Unit wherein such repairs are to be made, except where the occupants have no objections to earlier entry for repairs. Emergency repairs may be made at any time, and in emergency situations the occupants of the affected Individual Unit be warned of impending entry an early as is reasonably possible.

12.7 Easements Deemed Created. All conveyances of Condominium Units hereafter made, whether by the Declarant or otherwise, shall be construed to grant and reserve the easements contained in this Article XII, even though no specific reference to such easement or to this Article XII appears in the instrument of such conveyance.

ARTICLE XIII

DAMAGE, DESTRUCTION, OBSOLESCENCE OR CONDEMNATION

13.1 Association as Attorney-in-Fact. This Declaration does hereby make mandatory the irrevocable appointment of an attorney-in-fact to deal with the Property in the event of its destruction, damage, obsolescence or condemnation, including the repair, replacement and improvement of any Condominium Units, Condominium Building, Common Elements or other portions of the Property which have been destroyed, damaged, condemned or become obsolete. Title to any Condominium Unit is declared and expressly made subject to the terms and conditions hereof, and acceptance by any grantee of a deed or other instrument of conveyance from the Declarant or from any Owner or grantor shall constitute appointment of the attorney-in-fact herein provided. All of the Owners irrevocably constitute and appoint the Association as their true and lawful attorney in their name, place and stead, for the purpose of dealing with the Project upon its damage, destruction, obsolescence or condemnation, as is hereinafter provided. As attorney-in-fact, the Association by its President and Secretary or Assistant Secretary, or its other duly authorized officers and agents, shall have full and complete authorization, right and power to make, execute and deliver any contract, deed or other instruments with respect to the interest of an Owner which are necessary and appropriate to exercise the powers herein granted. In the event that the Association is dissolved or becomes defunct, a meeting of the Owners shall be held within thirty (30) days after either such event. At such meeting a new attorney-in-fact, to deal with the Project upon its construction, damage, obsolescence or condemnation, shall be appointed. Such appointment must be approved by the Owners representing an aggregate ownership interest of sixty-seven percent (67%) or more of the Common Elements and at least sixty-seven percent (67%) of the First Mortgagees of Condominiums Units based upon one vote for each First Mortgage held.

13.2 Damage or Destruction. "Repair and reconstruction" of the improvements, as used in the succeeding subparagraphs, means restoring the improvement(s) to substantially the same condition in which they existed prior to their damage or destruction, with each Condominium Unit and the General and Limited Common Elements having substantially the same vertical and horizontal boundaries as before, and all improvements being reconstructed

or repaired in substantial conformance with the Project's original architectural plan and scheme, to the extent then reasonably and economically feasible. The proceeds of any insurance collected shall be available to the Association for the purpose of repair, reconstruction, restoration and replacement, in accordance with the provisions hereinafter set forth;

(a) Notwithstanding the provisions of Article XVIII hereof relating to the percentage required for consent or approval of Owners and First Mortgagees, in the event of damage or destruction due to fire or other adversity or disaster, the insurance proceeds, if sufficient to repair or reconstruct the improvement(s), shall be applied by the Association as attorney-in-fact, to such repair and reconstruction, and the improvement(s) shall be promptly repaired and reconstructed. The Association shall have full authority, right and power as attorney-in-fact to cause the repair and reconstruction of the improvement(s) Assessments for common expenses shall not be abated during the period of insurance adjustments and repair and construction.

(b) If the insurance proceeds are insufficient to repair and reconstruct the improvement(s), such damage or destruction shall be promptly repaired and reconstructed by the Association as attorney-in-fact, using the proceeds of insurance and the proceeds of a special assessment which, notwithstanding anything to the contrary contained in Section 7.6 hereof, shall be made without a vote of the Owners against all of the Owners and their Condominium Units. Such special assessment shall be assessed in accordance with the provisions of Section 7.6 hereof, and shall be due and payable not sooner than thirty (30) days after written notice thereof. The Association shall have full authority, right and power, as attorney-in-fact, to cause the repair, replacement or restoration of the improvement(s), using all of the insurance proceeds for such purpose, notwithstanding failure of an Owner to pay the aforesaid special assessment. The special assessment provided for herein shall be a debt of each Owner and a lien on his Condominium Unit, and may be enforced and collected as provided in Section 7.9 hereof, including the provisions therein pertaining to the payment of interest, late charges, costs, attorneys' fees and expenses. Assessments for common expenses shall not be abated during the period of insurance adjustment and repair and reconstruction.

(c) Notwithstanding subsection (b) of this Section 12.3 and subject to the provisions of Article XVIII hereof relating to the percentages required for approval or consent of Owners, First Mortgagees, and insurers and guarantors of First Mortgages, if applicable, the Owners may agree not to repair or reconstruct the improvements; in such event, the Association shall forthwith record a notice in the office of the Clerk and Recorder of the County of Weld, Colorado, setting forth such facts, and upon the recordation of such notice executed by the Association's President and Secretary or Assistant Secretary, the entire Project shall be sold by the Association pursuant to the provisions of this Section, as attorney-in-fact for all of the Owners, free and clear of the provisions contained in this Declaration, the Condominium Map, and the Articles of Incorporation and Bylaws of the Association. Assessments for common expenses shall not be abated during the period prior to sale. The insurance settlement proceeds shall be collected by the Association, combined with all sale proceeds and all such proceeds shall be divided into portions by the Association, each portion representing one Condominium Unit, with the amount of each portion to be reasonably, and in good faith, allocated to each Condominium Unit by the Board of Directors of the Association based on the comparative value of the Condominium Units as they existed immediately prior to the damage and destruction, using such evidence of the appraised values as is then available, including but

not limited to recent appraisals, prepared by an appraiser certified by the MAI or the reasonable equivalent of such certification, of the Property, portions thereof or comparable property. Such divided proceeds shall be paid into separate accounts. Each such account shall be in the name of the Association, and shall be further identified by the Condominium Unit designation and the name of the Owner(s) and First Mortgagees thereof. From each separate account, the Association, as attorney-in-fact, shall forthwith use and disburse the total amount of each such account, without contribution from one account to another, toward the payment of the liens encumbering the Condominium Unit represented by such separate account, as follows:

- (i) For payment of taxes and special assessment liens in favor of any assessing entity;
- (ii) For payment of the lien of any First Mortgage;
- (iii) For payment of unpaid Association common expense assessments, other assessments, charges and fees, and all costs, expenses and fees incurred by the Association;
- (iv) For payment of the customary expenses of sale;
- (v) For payment of junior liens and encumbrances in the order of and to the extent of their priority; and
- (vi) The balance remaining, if any, shall be paid to the Owner(s) of the Condominium Unit.

13.3 Obsolescence.

(a) The Owners representing an aggregate ownership interest of sixty-seven percent (67%) or more of the Condominium Units may agree that the Common Elements are obsolete and adopt a plan for the renewal and reconstruction thereof. If a plan for the renewal of reconstruction is adopted, notice of such plan shall be recorded in the office of the Clerk and Recorder for the County of Weld, Colorado, and the expenses of renewal and reconstruction shall be payable by all of the Owners as a common expense, whether or not they have previously consented to the plan of renewal and reconstruction. The aforesaid common expense assessment for the renewal and construction of the Common Elements shall be a debt of each Owner and a lien on its Condominium Unit which may be enforced and collected as provided in Section 7.9 hereof.

(b) Subject to the provisions of Article XVII hereof, relating to the percentages required for approval or consent of Owners, First Mortgagees, insurers and guarantors of First Mortgages, if applicable, the Owners may agree that the Condominium Units are obsolete and that the same should be sold. In such instance, the Association shall forthwith record in the office of the Clerk and Recorder of the County of Weld, Colorado, a notice setting forth such facts, and upon the recordation of such notice executed by the Association's President and Secretary or Assistant Secretary, the entire Project shall be sold by the Association, as attorney-in-fact for all of the Owners, free and clear of the provisions contained in this Declaration, the Condominium Map, and the Articles of Incorporation and the Bylaws of the Association. The sale proceeds shall be paid into separate accounts, each such

account representing the Condominium Unit as more fully provided in Section 13.2(c) hereof. Each such account shall be in the name of the Association and shall be further identified by the Condominium Unit designation and the name of the Owner(s) thereof. From each separate account the Association, as attorney in fact, shall use and disburse the total amount of each such account, without contribution from one account to another, for the same purposes and in the same order as provided in Section 13.2(c) hereof.

13.4 Condemnation. If at any time or times during the continuance of condominium ownership pursuant to this Declaration, all or any part of the Project shall be taken or condemned by any public authority, or sold or otherwise disposed of in lieu of or in avoidance thereof, the following provisions of this Section 13.4 shall apply:

(a) All compensation, damages or other proceeds therefrom, the sum of which is hereafter called the "Condemnation Award," shall be payable to the Association.

(b) In the event that the entire Project is taken, condemned, sold or otherwise disposed of in lieu of or in avoidance thereof, the condominium ownership pursuant hereto shall terminate. The Condemnation Award shall be apportioned among the Owners by the Board of Directors of the Association in accordance with the procedure set forth in Section 13.2(c) hereof; provided, however, that if a standard different from the value of the Project as a whole is employed as the measure of the Condemnation Award in the negotiation, judicial decree or otherwise, then in determining such shares the same standard shall be employed to the extent it is relevant and applicable. The Association shall, as soon as practicable, determine the share of the Condominium Award to which each Owner is entitled. Such shares shall be paid into separate accounts and disbursed, as soon as practicable, in the same manner as provided in Section 13.2(c) hereof.

(c) Subject to the provisions of Article XVII hereof, relating to the approval of specified percentages of Owners and/or First Mortgagees, in the event that less than the entire Project is taken, condemned, sold or otherwise disposed of in lieu of or in avoidance thereof, the condominium ownership hereunder shall not terminate. Each Owner shall be entitled to a share of the Condemnation Award, to be determined in the following manner: as soon as practicable, subject to the following sentence, the Association shall reasonably, and in good faith, allocate the Condemnation Award between compensation, damages or other proceeds and shall apportion the amounts to be allocated among the Owners as follows: (i) the total amount allocated to taking of or injury to the General Common Elements appurtenant to each Condominium Unit; (ii) the total amount allocated to severance damages shall be apportioned among the Owners on the basis of the undivided interest in the Common Elements appurtenant to each Condominium Unit; (iii) the total amount allocated to severance damages shall be apportioned to those Condominium Units which were not taken or condemned; (iii) the respective amounts allocated to the taking of or damage to a particular Condominium Unit, including but not limited to the Limited Common Elements appurtenant thereto, and to the improvements an Owner has made within its Condominium Unit, shall be apportioned to the particular Condominium Unit involved and (iv) the total amount allocated to consequential damages and any other takings or injuries shall be apportioned as the Association determines to be equitable in the circumstances, or as determined by judicial decree. Notwithstanding anything to the contrary contained in this Declaration, the allocation of the Condemnation Award to each affected Condominium Unit shall be based on the comparative values of the affected Condominium Units as they existed immediately prior to the

condemnation, using such evidence of the appraised values as is then available, including but not limited to recent appraisals, prepared by an appraiser certified by the MAI or the reasonable equivalent of such certification, of the affected property or comparable property. If the allocation of the Condemnation Award is already established in negotiations, judicial decree or otherwise, then in allocating the Condemnation Award, the Association shall employ such allocation to the extent it is relevant and applicable. Apportioned proceeds shall be disbursed, as soon as practicable, in the same manner as provided in Section 13.2(c) hereof.

(d) Subject to the provisions of Article XVII hereof relating to the percentages required for approval or consent of Owners, First Mortgagees, and insurers and guarantors of First Mortgages, if applicable, in the event a partial taking results in the taking of a complete Condominium Unit, the Owner(s) thereof shall automatically cease to be member(s) of the Association, shall cease to hold any right, title or interest in the remaining Common Elements, and shall execute any and all documents necessary to accomplish the same. Thereafter, the Association shall reallocate the ownership, voting rights and assessment ratio in accordance with this Declaration according to the principles employed in this Declaration at its inception, and shall submit such reallocation to the Owners and to the First Mortgagees of all remaining Condominium Units for amendment of this Declaration as provided in Article XV hereof. The Condemnation Award as to each such completely taken Condominium Unit shall be paid into a separate account and disbursed, as soon as practicable, in the same manner as provided in Section 13.2(c) hereof.

(e) Any reconstruction and repair necessitated by condemnation shall be governed by the procedures of Section 13.2 hereof.

ARTICLE XIV

BURDENS AND BENEFITS OF DECLARATION

14.1 Covenants Running with Property. The benefits, burdens, and all other provisions contained in this Declaration shall be covenants running with and binding upon the Property.

14.2 Binding Upon and Inure to the Successors. The benefits, burdens and all other provisions contained in this Declaration shall be binding upon, and inure to the benefit of the Declarant, the Association and all Owners, and upon and to respective heirs, executors, administrators, personal representatives, successors and assigns. Any right or any interest reserved or contained in this Declaration to or for the benefit of the Declarant may be transferred or assigned by the Declarant, either separately or with one or more of such rights or interests, to any person, corporation, partnership, association or other entity.

ARTICLE XV

AMENDMENT OF DECLARATION

15.1 Amendment. Except for those matters governed by Section 16(1)(a) hereof, the provisions of this Declaration may be amended, in whole or in part, at any time and from time to time, by instrument approved in writing by not less than sixty-seven percent (67%) of the members; provided, however, that until the Declarant has conveyed all Condominium Units to the first Owners hereof (other than Declarant), any amendment of Section 5.3, 7.5 and 15.2 shall require the prior written approval of the Declarant.

15.2 Amendment by Declarant. Notwithstanding the provisions of Section 15.1, if Declarant shall determine that any amendments to this Declaration or any amendments to the Articles of Incorporation or Bylaws of the Association shall be necessary in order for existing or future mortgages to be acceptable to any of the Agencies, then, subject to the following sentence of this Section 15.2, Declarant shall have and hereby specifically reserves the right and power to make and execute any such amendments without obtaining the approval of any Owners or First Mortgagees. Each such amendment of this Declaration or of the Articles of Incorporation or Bylaws of the Association shall be made, if at all, by Declarant prior to (a) conveyance of the last Condominium Unit by Declarant to the first Owner thereof (other than Declarant), or (b) ten (10) years from the date upon which this Declaration is recorded in the records of the office of the Clerk and Recorder of the County of Weld, Colorado, whichever shall first occur.

15.3 Technical Corrections by Declarant. Declarant hereby reserves and is granted the right and power to record technical amendments to this Declaration at any time prior to the termination of its right to appoint the Board of Directors of the Association for the purposes of correcting spelling, grammar, dates or as is otherwise necessary to clarify the meaning of the provisions of this Declaration.

15.4 Technical Corrections by Board of Directors. The Association, through its Board of Directors, is hereby granted the right and power to record technical corrections to the Declaration (and all Amendments to the Declaration) for the purpose of correcting spelling, grammar, dates, typographical errors, or as may otherwise be necessary to clarify the meaning of the provisions of the Declaration and any Amendments to the Declaration. Such technical corrections become effective after approval by the Board of Directors and upon recording at the office of the Clerk and Recorder and do not require Mortgagee or member approval. Technical corrections are not amendments and shall not be construed as such.

15.5 Recording of Amendments. To be effective, all amendments to this Declaration must be recorded in the office of the Clerk and Recorder of the County of Weld, Colorado, and must contain evidence of approval thereof showing the notarized signatures of all the appropriate parties.

17.2 Supplement to Condominium Ownership Act. The provisions of this Declaration shall be in addition and supplemental to the Colorado Common Interest Ownership Act, as it may be amended from time to time, and to all other applicable provisions of law.
