ARTICLE V

CONVENANT FOR ASSESSMENTS

Section 1 – General. The Association shall have the power to levy Assessments against the Building Envelopes and the Owners thereof, and each Owner, and, if more than one (1) Person, all such Persons, jointly and severally, by acceptance of the deed to a Building Envelope, whether or not it shall be expressed in any such deed, shall be deemed to covenant and agree expressly in any such deed to pay all such Assessments in the manner and for the purpose provided herein. Subject to the provisions hereof, the Board shall have the power and authority to determine all matters in connection with

Assessments, including the power and authority to determine where, when, and how Assessments shall be paid to the Association, and each Owner shall comply with such determination.

Section 2 – Method of Assessment. All Assessments shall be levied by the Association against Building Envelopes and collected and disbursed by the Association. The Board of Directors shall fix the amount of the Assessments as provided hereinafter and set the date or dates such Assessments shall become due.

Section 3 – Relationship of the Association Lien to Mortgages. Except as provided in C.R.S. §38-33.3-316 as originally enacted or as subsequently amended by the Colorado Legislature, the lien of the assessments provided for herein shall be subordinate to the lien of any First Mortgage, including any executory land sales contract wherein the Administrator of Veterans Affairs (Veterans Administration) is the seller, whether such contract is owned by the Veterans Administration or its assigns, and whether such contract is recorded or not. The lien of such assessments shall be superior to any homestead exemption or other exemption as is now or may hereafter be provided by Colorado or Federal law. The acceptance of a deed to land subject to this Declaration shall constitute a waiver of the homestead and any other exemption as against said assessment lien. Sale or transfer of any Building Envelope shall not affect the liens for said charges; provided, however, that in the event of foreclosure of a First Mortgage or the taking of a deed in lieu thereof, such First Mortgagee shall not be liable for unpaid assessments or other charges which accrue prior to the acquisition of title to the Building Envelope in question by such First Mortgagee except to the extent C.R.S. §38-33.3-316 grants a superior priority to liens of the Association in relationship to a first mortgage. In the event there are conflicting liens which have been perfected by both Poudre River Ranch Community Association and this Association, the lien of this Association shall be deemed superior to the lien of the Community Association. To the extent permissible by law, both liens shall be superior to any homestead or other exemption as are now or may hereafter be provided by Colorado or federal law, and both liens shall be subject to the priorities set forth in C.R.S. §38-33.3-316 as it relates to first mortgagees.

Section 4 – General Assessments.

(a) Purpose. The General Assessment shall be used to promote the welfare of the Members and in particular to improve, maintain and operate the Common Areas of the Association, to enforce the architectural covenants of this Association, and to pay annual insurance costs of the Association, all tax liabilities assessed by any federal, state or local tax authority relating to the common areas, as well as any professional fees incurred by the Association.

(b) Basis for Assessment. For General Assessment purposes all Building Envelopes with Dwelling Units which are or have been occupied shall be assessed at one hundred percent (100%) of the General Assessment rate.

(c) Increase in Maximum Building Envelope Assessment. Until January 1 of the year immediately following the conveyance of the first Building Envelope by Declarant, the maximum assessment shall be Two Hundred Dollars (\$200.00) per Building Envelope, per month.

(1) From and after January 1 of the year immediately following the conveyance of the first Building Envelope by Declarant, the maximum assessment may be increased effective January 1 each year in conformance with the rise, if any, of the Consumer Price Index (published by the Department of Labor, Washington, D.C.) for the preceding twelve month period.

(2) From and after January 1 of the year immediately following the conveyance of the first Building Envelope by Declarant, the maximum assessment may be increased above the established by the Consumer Price Index formula by a vote of the Members for the next such one (1) year and at the end of each such one (1) year period, for such succeeding period of one (1) year, provided that any such increase shall have obtained the prior written consent of at least sixty seven percent (67%) of all classes of Members of this Association. The Board of Directors of the Association may, after consideration of the current maintenance costs and the financial requirements of the Association, fix the actual monthly assessment at an amount less than the maximum.

(d) Procedure for Monthly Assessments Below Maximum Assessments. It is anticipated that the initial monthly assessment shall be estimated to be between One Hundred Dollars (\$100.00) and Two Hundred Dollars (\$200.00) per month based upon budget projections of the Declarant. It should be understood that the general monthly assessment may be raised by the Association Board of Directors during the period of Declarant control or during the operation of the Association after the period of Declarant control without prior approval of assessable unit owners until it reaches the maximum level described in subparagraph c of this Section 4.

(e) Method of Assessment. By vote of a majority of the Board of Directors, the Board shall fix the General Assessment at an amount not in excess of the current maximum assessment, provided, however, that the General Assessment shall be sufficient to meet the obligations imposed by the Association Declaration. In the event the Board fails to fix an Assessment for any fiscal year, then the Assessment established for the prior year shall automatically be continued until such time as the Board acts.

(f) Date of Commencement of General Assessments. All General Assessments shall be either an unimproved Building Envelope assessment or an improved Building Envelope assessment. The unimproved Building Envelope assessment shall commence on the first day of the month following the recording of the subdivision plat by the Developer/Declarant. The improved Building

Envelope assessment shall commence on the first day of the month following the issuance of a Certificate of Occupancy for the Living Unit by the City of Greeley.

Section 5 - Budget Process. To determine the amount required to be raised by General Assessments for any fiscal year, the Board of Directors shall prepare an Annual Budget for such fiscal year, showing, in reasonable detail, the various matters proposed to be covered by the Budget, the estimated costs and expenses which will be payable, and the estimated income and the funds which will be available in that fiscal year, and the estimated total amount of money required to be raised by the General Assessment to cover such costs and expenses and to provide a reasonable reserve. The total amount of money required to be raised by the General Assessment for such fiscal year shall be the amount as determined by the Board to be necessary to satisfy the costs and expenses of fulfilling the functions and obligations of the Association in the coming fiscal year, including the payment of debts from prior fiscal years, providing reasonable reserves, and providing a reasonable carry-over reserve for the following fiscal year. Within thirty (30) days after adoption of any proposed budget for the common interest community, the Board of Directors shall mail, by ordinary first-class mail, or otherwise deliver a summary of the budget to all the Building Envelope Owners and shall set a date for a meeting of the Building Envelope Owners to consider ratification of the budget not less than fourteen (14) nor more than sixty (60) days after mailing or other delivery of the summary. Unless at the meeting a majority of all Building Envelope Owners present at the meeting, in person or by proxy, rejects the budget, the budget is ratified, whether or not a quorum is present. In the event the proposed budget is rejected, the periodic budget last ratified by the Building Envelope Owners must be continued until such time as the Building Envelope Owners ratify a subsequent budget proposed by the Board of Directors.

Section 6 – Supplementary Assessments. In the event that the Board shall determine, at any time or from time to time, that the amount of the General Assessment is not adequate to pay for the costs and expenses of fulfilling the Association’s obligations hereunder, one or more Supplementary Assessments may be made for the purpose of providing the additional funds required. To determine the amount required to be raised by each Supplementary Assessment, the Board shall revise the annual budget for such fiscal year or prepare a new budget, a copy of which shall be furnished to any Owner, or on request, to any Mortgagee. Based on such revised or new budget, the Board may make a Supplementary Assessment for such fiscal year against each Building Envelope and Owner, the amount of which shall be determined by the Board.

Section 7 – Special Assessments. Special Assessments may be made for the purpose of raising funds for capital improvements and for any other Association purpose for which General Assessments may not or have not been made. Whether to make a Special Assessment and the amount thereof per Building Envelope shall be determined by the Board; provided that no Special Assessment shall be valid unless approved by a majority vote of the Members present and voting in person or by proxy at any Annual Meeting of the Members of the Association or at any Special Meeting thereof called for the purpose of considering such Special Assessment, whether or not a quorum is present.

Section 8 – Reimbursement Assessments. The Board of Directors of the Association may, subject to the provisions hereof, levy an Assessment against any Member if (a) the willful or negligent failure of the Member or Related User of the Member to comply with this Association Declaration, the Articles of Incorporation, the Bylaws of the Association, rules and regulations adopted by the Association, or guidelines or rules adopted by the Association Architectural Review Committee have resulted in the expenditure of funds to cause such compliance, or (b) if a Member or a Related User of the Member shall fail to pay any fines or penalties established in the rules and regulations of the Association for breach of or failure to comply with this Association Declaration or such rules and regulations. Such Assessments shall be known as Reimbursement Assessments. The amount of the Reimbursement Assessment shall be due and payable to the Association thirty (30) days after notice to the Member of the decision of the Board of Directors of the Association that the Assessment is owing.

Section 9 – Differential Assessments. Each Owner, including the Declarant, shall have the obligation to pay the General Assessment for each Building Envelope owned within the Association. There shall be two (2) levels of General Assessments for Building Envelopes within the Association. Section 20 – Meeting of Committee. The Association Architectural Review Committee shall meet from time to time as necessary to perform its duties hereunder. The Association Architectural Review Committee may, from time to time, by resolution in writing adopted by a majority of the members, designate a Committee Representative (who may, but need not, be one of its members) to take any action or perform any duties for or on behalf of the Association Architectural Review Committee, except the granting of approval to any Improvement to Property and granting of variances. The action of such Committee Representative within the authority of such Committee Representative or the written consent or the vote of a majority of the members of the Association Architectural Review Committee shall constitute action of the Association Architectural Review Committee.

In reviewing any matter, the Association Architectural Review Committee shall not be responsible for reviewing, nor shall its approval of an Improvement to Property be deemed approval of the Improvement to Property from the standpoint of safety, whether

Section 24 – Construction Period Exception. Until such time as all Living Units are built upon Building Envelopes within the project, all actions regarding architectural control shall be decided by the Declarant without participation by the Board of Directors of the Association. CONDEMNATION, DAMAGE OR DESTRUCTION TO COMMON AREA

Section 1 – Damage or Destruction to Common Area. In the event of damage or destruction to all or a portion of the Common Area due to fire or other disaster, the insurance proceeds, if sufficient to reconstruct or repair the damage, shall be applied by the Association to such reconstruction and repair. If the insurance proceeds with respect to such Common Area damage or destruction are insufficient to repair and reconstruct the damaged or destroyed Common Area, the Association shall present to the Members a notice of a special assessment for approval by the Members. If such assessment is approved, the Association shall levy such assessment and proceed to make such repairs or reconstruction. If such assessment is not approved, the insurance proceeds may be applied in accordance with the wishes of the membership as expressed by the written consent of seventy-five percent (75%) of the Owners other than Declarant, except that the proceeds shall not be distributed to the Owners, unless made jointly payable to Owners and the First Mortgagees of their respective Building Envelopes, if any. The assessment as to each Building Envelope shall be equal to the assessment against every other Building Envelope. Such assessment shall be due and payable as provided by resolution of the Board of Directors, but not sooner than sixty (60) days after written notice thereof. Building Envelope, and may be enforced and collected in the same manner as any assessment lien provided for in this Association Declaration.

Section 2 – Owner/Caused Damage. If, due to the act or neglect of an Owner or a Related User of an Owner, whether by virtue of the exercise by such Owner or Related User of any easement or right granted to him herein or otherwise, loss or damage shall be caused to any property, including the Common Area, and, in the case of damage to property, if such Owner does not promptly repair and restore any such damaged property to the condition it was in prior to such damage at such owner’s sole cost and expense, such Owner shall be liable and responsible for the same except to the extent that such damage or loss is covered by insurance obtained by the Association and the carrier of the insurance has waived its rights of subrogation against such Owner. The amount of such loss or damage may be collected by the Association from such Owner as a Reimbursement Assessment against such Owner, by legal proceedings or otherwise, and such amount shall be secured by a lien on the Residential Building Envelope of such Owner as provided elsewhere in this Association Declaration for assessments or other charges.

Section 3 – Condemnation Procedure. In the event proceedings are initiated by any government or agency thereof, seeking to take by eminent domain the Common Area, any part thereof, any interest therein or any improvement thereon with a value (including loss of value to the balance of the Common Area and improvements thereof), as reasonably determined by the Association in excess of \$10,000, the Association shall give prompt notice thereof, including a description of the part of or interest in the Common Area or improvements thereon sought to be so condemned, to all First Mortgagees, Members, and to the Declarant. The Association shall have full power and authority to defend in said proceedings, but the Association shall not enter into proceedings, pursuant to which the Common Area or any part thereof or any interest therein, or any improvement thereon or any part thereof or interest therein is relinquished without giving all First Mortgagees, Members, and Declarant at least fifteen (15) days prior written notice thereof.

In the event, following such proceedings, there is such a taking in condemnation or by eminent domain of a part or all of the Common Area, the award made for such taking shall be payable to the Association, subject to the provisions of C.R.S. §38-33.3-107 regarding the distribution of eminent domain awards as that section was originally enacted or is subsequently amended by the Colorado Legislature.

Such instrument shall be executed by the transferor Declarant and the transferee.

Section 4 – Development and Withdrawal Rights. Declarant expressly reserves the right to construct additional Units (the “Additional Improvements”) on all or any portion of the Property. Declarant may exercise its Development Rights on all or any portion of the reserved Property in whatever order of development Declarant, in its sole discretion, determines. If any additional Property is submitted to this Declaration, this right to reserve property for future development shall apply to such property as well. Declarant expressly reserves the right to withdraw all or any portion of the Property that is reserved for future development from the project by recording a document evidencing such withdrawal in the office of the Clerk and Recorder of Weld County; provided, however, that no portion of the Property may be withdrawn after a Building Envelope in that portion of the Property has been conveyed to a Purchaser. The property withdrawn

from the project shall be subject to whatever easements, if any, are reasonably necessary for access to or operation of the project. Declarant shall prepare and record in the office of the Clerk and Recorder of Weld County whatever documents are necessary to evidence such easements.

Section 5 – Amendment of the Declaration. If Declarant elects to submit the Development Property (or any part thereof) or the Additional Improvements to this Declaration or to subdivide, Declarant shall record an amendment to this Declaration reallocating the Allocated Interests so that the Allocated Interests appurtenant to each Unit will be apportioned according to the total number of Units submitted to the Declaration. The Allocated Interests appurtenant to each Unit in the project, as expanded, shall be based on the total number of Building Envelopes within the project, as expanded, and/or on such other information as Declarant shall reasonably determine is relevant to the reallocation.

The amendment to this Declaration shall contain, at a minimum, the legal description of the Development Property, or a part thereof, or a description of the property on which the Additional Improvements being submitted to this Declaration are located and a schedule of the Allocated Interests appurtenant to the Units in the project as expanded.

Section 6 – Amendment of the Map. Upon the recording of an amendment to this Declaration, the definitions used in this Declaration shall automatically be extended to encompass and to refer to the Property, as expanded. The Development Property, or any part thereof, or the Additional Improvements, shall be added to and become a part of the Property for all purposes. All conveyances of Building Envelopes after such expansion shall be effective to transfer rights in all Common Elements as expanded, whether or not reference is made to any amendment to this Declaration or the Map. Reference to this Declaration and the Map in any instrument shall be deemed to include all amendments to this Declaration and the Map without specific reference thereto.

The buildings, structures and types of improvements to be placed on the Property or the Development Property or any part thereof shall be of a quality equal to the improvements previously constructed on the property, but need not be of the same size, style or configuration. The improvements may be located anywhere on the Property reserved for future development or on the Development Property.

Section 10 – Construction Easement. Declarant expressly reserves the right to perform warranty work, repairs and construction work and to store materials in secure areas on Building Envelopes and in Comment Elements, and the future right to control such work and repairs, and the right of access thereto, until its completion. All work may be performed by Declarant without the consent or approval of any Building Envelope Owner or Mortgagee. Declarant has such easements through the Common Elements as may be reasonably necessary for the purpose of discharging Declarant’s obligations and exercising Declarant’s reserved rights in this Declaration. Such easements include the right to construct underground utility lines, pipes, wires, conduits and other facilities across the land not designated as reserved for future development in this Declaration or on the Map for the purpose of furnishing utility and other services to buildings and improvements to be constructed on the property so reserved for future development. Declarant’s reserved construction easements include the right to grant easements to public utility companies and to convey improvements within those easements anywhere in the Common Elements not occupied by an improvement containing Living Units.

Section 11 – Reciprocal Easements. If all or part of the Development Property is not submitted to this Declaration, or if property is withdrawn from the Project (“Withdrawn Property”):

(a) The Owner(s) of the Development Property and/or Withdrawn Property shall have whatever easements are necessary or desirable, if any, for access, utility service, repair, maintenance and emergencies over and across the Project; and

(b) The Owner(s) in the Project shall have whatever easements are necessary or desirable, if any, for access, utility service, repair, maintenance and emergencies over and across the Development Property and Withdrawn Property.

Declarant shall prepare and record in the office of the Clerk and Recorder of Weld County whatever documents are necessary to evidence such easements. Such recorded easements(s) shall specify that the Owners of the Development Property and the Withdrawn Property and the Owners in the Project shall be obligated to pay a proportionate share of the costs of the operation and maintenance of any easements utilized by either one of them on the other’s property upon such reasonable basis as the

Declarant shall establish in the easement(s). Preparation and recordation by Declarant of an easement pursuant to this Section shall conclusively determine the existence, location and extent of the reciprocal easements that are necessary or desirable as contemplated by this Section.

Section 12 – Termination of Development Rights. The expansion and development rights reserved by Declarant, for themselves, their successors and assigns, shall expire twenty (20) years from the date of recording this Declaration, unless the expansion and development rights are (i) extended as allowed by law or (ii) reinstated or extended by the Association, subject to whatever terms, conditions and limitations the Board of Directors may impose on the subsequent exercise of the expansion and development rights by Declarant.

Section 13- Transfer of Development Rights. Any Special Declarant Right or Additional Reserved Right created or reserved under this Article for the benefit of Declarant may be transferred to any Person by an instrument describing the rights transferred and recorded in Weld County. Such instrument shall be executed by the transferor Declarant and the transferee.

ARTICLE XIV

REQUIRED ALLOCATION OF INTERESTS

Section 1 – Allocated Interests. The common expense liability and voting in the Association allocated to each Building Envelope are as follows:

(a) The percentage of liability for common expenses shall be determined by using a formula in which the numerator is 1 and the denominator is the total number of Building Envelopes subject to this original Declaration or any subsequent amendment of this Declaration which are shown on a recorded subdivision plat(s) required by the City of Greeley and recorded with the Weld County Clerk and Recorder; and

(b) The number of votes in the Association, on the basis of one (1) vote being allocated to each Building Envelope Owner (not Living Unit Owner), as determined by the total number of Building Envelopes that have been submitted to this original Declaration or any subsequent amendment of this Declaration which are shown on a recorded subdivision plat required by the City of Greeley and recorded with the Weld County Clerk and Recorder.
